

# SecureDesigns<sup>®</sup> Variable Annuity

## What are key considerations for growing your clients' retirement savings?

### Key features

- Build an investment portfolio tailored to your client's risk profile and financial goals from nearly [90 well-known underlying funds](#). Or, choose from one of our [Target Portfolios by Mesirow](#).
- Low product costs paired with tax-deferred portfolio growth may help your clients accumulate wealth faster.
- Optional riders let your clients add in the protections and benefits they want.

Many advisors are encouraging their clients to stay the course in today's turbulent market environment. With the SecureDesigns Variable Annuity DCA Plus 6-month Account (only available on new contract purchases), your clients can receive 5% on their new Contract Value in the DCA Plus Account as it waits to systematically transfer into their choice of underlying investment options over six months.<sup>1</sup>

Annuities are long-term investments, suitable for retirement investing. The investment return and principal value of an investment in a variable annuity will fluctuate and you may have a gain or loss at redemption.

Guarantees provided by annuities are subject to the financial strength of the issuing insurance company. Annuities are not FDIC or NCUA/NCUSIF insured; are not obligations or deposits of, and are not guaranteed or underwritten by any bank, savings and loan, or credit union or its affiliates; and are unrelated to and not a condition of the provision or term of any banking service or activity.

**You should carefully consider the investment objectives, risks, charges, and expenses of the investment options available under the variable annuities offered. You may obtain a prospectus and/or summary prospectus that contains this and other information about the investment options or variable annuity by calling our Service Center at 800.888.2461. You should read the prospectus and/or summary prospectus carefully before investing. Investing in variable annuities involves risk and there is no guarantee of investment results.**
